Motion by Atkins second by Morden to approve the July 2, 2019 minutes. **Motion carried.**

Board Liaison Report: Platko reported the progress the Recreation Committee has made at the Township property. The repaving of Dunn Road is complete and Limerick Road will be finished soon.

Disclosure Process: George presented a final draft of the disclosure statement for approval. The document would be kept by the clerk and used for any agenda items that would require a decision on land use/approval. Discussion included what would constitute a quorum if there were any conflicts. Consensus was to have the document reviewed by the Township attorney and request an opinion how a vote could be taken if a conflict was disclosed by a majority of the members.

Chapter Three of the Planning and Decision Making handbook was discussed. Chapter Four will be reviewed at the September meeting.

MTA Planning and Zoning Class: Kathy Wroblewski and Gail Atkins will attend the August 20, 2019 workshop in Frankenmuth.

Public Comments: None.

Board Comments:

Atkins: Will not be at the September meeting.

Morden: Likes George's draft of the disclosure statement.

Meeting adjourned at 2:20 p.m.
